AGM Yorkshire Rose Dyslexia

Wednesday 8th November 2023 at Pudsey Civic Hall 6.45 – 9.00pm

Guest Speaker: Donna Stephenson from Succeed With Dyslexia

Dear Members,

As many of you know already, I will be tendering my resignation as Chair at the coming AGM, being effective at the end of our financial year in March. This is to allow for new blood and sustainability for the future. Our group is currently growing rapidly, and things in the dyslexia world are also changing rapidly, which is a very good sign. It is time for me to hand over the baton after many years although I will be happy to remain a trustee and continue to help wherever I can.

It now needs a change to take us forward as things develop. We are looking for a new Chair or joint Chairs and further trustees with skills and enthusiasm to take the charity forward. I hope to still be able to offer support where necessary. These roles can be exciting and rewarding being involved in helping children, young people and adults attain their full potential.

It is a great opportunity to put any experience, skills, or willingness to help others in a needed and well worthwhile cause. Our charity needs you!

When I started on this journey, I knew very little about dyslexia, the legal system, how little teacher knew or understood what to look for in children in their care. It has been a very enlightening and rewarding experience.

Please let me know if you can possibly help, preferable before or at the AGM on 8th November. I really need to be passing the baton on!!

With very best wishes

Pat
